Rain**

Between
15:00 Sun 25 Feb 2024 and
09:00 Mon 26 Feb 2024

**Persistent rain perhaps leading to some flooding and disruption.****What to expect**

- Spray and flooding could lead to difficult driving conditions and some road closures
- There is a small chance that some communities will become cut off by flooded roads
- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services

Further details

Rain is expected to arrive across Sussex and Kent during Sunday afternoon, persisting through the night before slowly clearing on Monday morning. 15 to 25 mm rainfall is likely widely, perhaps with as much as 40 mm in a few places. With the ground already saturated this may lead to some flooding and disruption.

What should I do?

Check if your property could be at risk of flooding. If so, consider preparing a flood plan and an emergency flood kit.

 Very low likelihood of medium impacts

Further Details (continued)

Give yourself the best chance of avoiding delays by checking road conditions if driving, or bus and train timetables, amending your travel plans if necessary.

People cope better with power cuts when they have prepared for them in advance. It's easy to do; consider gathering torches and batteries, a mobile phone power pack and other essential items.
